Ban-Koe Companies Announces Opening of a New ID America Office in Milwaukee Wisconsin

Minneapolis, MN based Ban-Koe Companies, a leading provider of Labor Management and Workplace Security systems, announced the expansion of the company's market presence by opening a new office in Milwaukee WI.

Corporations throughout the United States have been strong adopters of the product offerings from ID America. ID America's success is driving the company to expand their physical presence into southeastern Wisconsin. President and CEO of Ban-Koe Companies William Bangtson views this as a positive step forward in the companies continued success and growth.

ID America's core product offerings include CeleriTime automated time and attendance, IDimage employee ID badging and credentialing, and IDaxxess physical door access security systems. Other products available and supported by ID America: human capital management, leave time management, visitor management, retail solutions and advanced "smart" labor optimization scheduling, proximity cards, smart cards and direct to card printers.

The opportunity to help companies streamline and automate internal processes achieving bottom line savings are a direct result of the company doubling it's size in the past 18 months. For more information on ID America or its associated products please contact 800-899-0963 or www.idbadges.com
